Annexure A

You shall be governed by the following terms and conditions of service during your internship with NullClass, and those may be amended from time to time:-

1. You are being hired as a **Cyber Security Intern**. As an intern here at NullClass you would be responsible for tasks and responsibilities.
2. **Your date of joining is March 03, 2024.** You are expected to devote your time and efforts solely for NullClass works. You are also required to let your mentor know about forthcoming events (if there are any) in advance so that your work can be planned accordingly.
3. You will be working remotely during this internship. There will be catch ups scheduled with your mentor to discuss work progress and overall work experience at regular intervals.
4. During the internship you will be supposed to work on the real time projects. The duration of the internship will be up to 6 months depending upon your choice (*minimum 1 month and maximum 6 months*). The working hours during the internship will be very flexible, you just need to devote 3 hours on the daily basis and five days in a week.

5. We take data privacy and security very seriously and to maintain confidentiality of any clients and companies data that you may get access to during your internship will be your responsibility. NullClass operates on zero tolerance principle with regard to any breach of data security guidelines. At the completion of the internship you are expected to hand over all NullClass work/data stored on your Personal Computer to your mentor.
6. Under normal circumstances either the company or you may terminate this association by providing a notice of 10 days.
7. You are expected to conduct yourself with utmost professionalism in dealing with your team members, colleagues, clients and treat everyone with due respect.
8. We love people who like to go beyond the normal call of duty and can think out of the box. Surprise us with your passion, intelligence, creativity and hard work – and expect appreciation & rewards to follow.
9. Expect constant and continuous objective feedback from your mentor and other team members and we encourage you to ask for and provide feedback at every possible opportunity. It's your right to receive and give feedback – this is the only way we all can continuously push ourselves to do better.

10. Have fun at what you do and do the right thing – both the principles are core of what NullClass stands for and we expect you to imbibe them in your day to day actions and continuously challenge us if we are falling short of expectations on either of them.
11. **Your stipend will be ₹3,000 fixed for one project.**
However the stipend may increase if you work on more than one project.
12. After completion of a training session of 20 hours in any one of our projects from our website your internship will be started. You just need to take the screenshot of 100% completion page from our website and submit it on training@nullclass.com then your internship will be started on the real time projects.
13. You will receive the authorized certificates for training as well as internship, and you will receive a letter of recommendation and an experience letter.
14. During the training session you will learn how to hack real time web applications & Operating Systems from scratch, we are providing 24/7 one to one mentor support through premium whatsapp group. Through our website you will be able to access our pre recorded videos, live sessions, source code and study materials once you complete the process from our website.

I, **Aryan Parashar**, agreed and understood all the terms and conditions of this Internship letter as well as Annexure hereto and affixed my signature in complete acceptance of the terms of the letter.
